Bring Out the Vote.

thorough work in this direction and as the time is short the various town committees should make the most of it. Although arrangements will be made to have some good speakers in the State before the close of the campaign, on account of the prolonged session of Congress this feature of the canvass will necessarily be curtailed, as it is impossible to get as many speakers as we have had in the past. This fact makes it the more imperative that the committeemen take hold of the campaign with exceptional rigor. Each town note The enemy is actively at work and our friends do not want to be caught napplog The Republeans have a good plate

each man keep this fact in mind and the ers put the r product on the marks , at the result in Mains will be one that will carry comfort and encouragement to the Repub-

It is a startling commentary upon the proclaims his devotion to the cause of proeach individual caposited a straight Damo-tratic ticket. This speaker knows that any considerable falling off in the Reoubik an vote in September next would be inbe, but whether the people are in favor of

terpreted in every State in the Union as ficense. The question now is not whather the law is enforced at rigidly as it should the law itself as it stands in this State today for test of that question will be gauged by the Republican and Democratio vote Every man with E particle of com mon sense knows this to be the fact. Yet the Third Party alvocate throws the whole weight of his influence so as to more effectually aid the Democratic license campaign than he could possibly do shou d he openly take the stump for that party He
